Who we are

We are a values-based company

WE ARE SETTING THE MARKET STANDARD

You will never experience sub-par training. We don't aim for "good enough", only excellence will do.

WE ARE RETLENTLESS WITH OUR INNOVATION

You will have access to the latest technology and processes in aid training and equipment. Your staff will lead the way in industry safety.

WE HAVE UNCOMPROMISING SERVICE AND DELIVERY

Our goal is for you and your staff to experience "the best first aid course I've ever been on" - every time you do a course with us.

WE ARE KIWI VETERAN OWNED AND OPERATED

When you choose PracMed NZ, you are not only supporting local, but you are getting the dedicated local support your business needs.

WHAT MAKES OUR COURSES DIFFERENT?

RELEVANT

Tick-the-box, cookie cutter courses are not enough. Our courses focus on the real world application of the life-saving skills needed to make sure your staff make it home each day.

ENGAGING

Retention of information is impossible unless the courses are engaging. Using real-world videos and our passionate, experienced trainers, our courses are fun, memorable and impactful.

PRACTICAL

No more death-by-powerpoint. Our courses are hands-on, utilising state of the art training aids to provide the most realistic training available in NZ.

FLEXIBLE

We are customer focused. Flexible scheduling, custom courses, nationwide on-site delivery, subscription based or pay-as-you-go solutions - we are here to work WITH you for the best tailored solution.
